2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in applicable Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, the circulars, the guidelines and direction issued by the SEBI from time to time ("SEBI Guidelines") and other accounting principles generally accepted in India and in the compliance with the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.

**Scope of Review**

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410-Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of Interim Financial information consists of making inquiries, primarily of people responsible for financial and accounting matters and applying analytical and other review procedures. A Review is substantially less in scope than an audit, conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

**Basis for Qualified Opinions**

4. *As more fully explained in Note 4 to the accompanying Standalone Financial Results, the GST Authority has raised a demand aggregating Rs 290.70 crores (Including Interest and penalty), pursuant to search and further proceeding conducted by the Authorities, alleging claiming of ineligible input credit of GST. Further Income Tax Authorities had also searched for the Company and raised a demand of Rs.16.98 crores. The Management filed a rectification application under Section 161 of the CGST Act, but this application was rejected by the Adjudicating Officer. In the interim, the Management will file an appeal against the entire demand with the appropriate Appellate Authority. Pending outcome of the legal proceedings, we are unable to comment on the outcome of the said demand and its consequential impact.*

### Opinion

5. Based on our review conducted as stated above in paragraph 3 ,Except for the effects of the matters described in the Basis for Qualified Opinion in paragraph 4 above, nothing has come to our attention that cause us to believe that the accompanying Statements, prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in the terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by SEBI from time to time including the manner in which it is to be disclosed or that is contains any material misstatements.

**Notes:-**

- The above unaudited standalone financial results have been reviewed by the audit committee and taken on record by Board of Directors at their meeting held on August 11, 2025. The statutory auditors have carried out limited review of the financial results of the company for the quarter ended June 30, 2025 under regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended.
- The above results are prepared in accordance with the recognition and measurement principles laid down and specified in Section 133 of the Companies Act, 2013 read with relevant rules framed thereunder and as per requirement of Regulation 33 of SEBI (LODR) Regulations, 2015 and according to applicable circulars issued by SEBI from time to time.
- The Financial results of the Company has been prepared in accordance with the Indian Accounting Standard (Ind AS) notified by the Minister of Corporate Affairs under the Companies ( Indian Accounting Standard) Rule 2015, as amended from time to time, specified in Section 133 of Companies Act, 2013
- During the last year, the business premises of the Company had been searched by the GST Authorities in connection with some information in their possession. As a result of the search, the GST Authorities had alleged that the Company had claimed fraudulent ineligible input credit of GST in earlier years and accordingly, passed an Order under Section 74 of the CGST Act, 2017 dated January 16, 2025 directing the Company to deposit the ineligible input credit of GST amounting to Rs 96.14 crores along with interest of Rs 98.42 crores and penalty aggregating to Rs 96.14 crores aggregating to total demand of Rs. 290.70 crores.  
  
The Management is of the strong view that the Company had legitimately availed the GST input credit and that the allegation made by the GST Authorities is not tenable. The Company is in the process of seeking legal recourse against the demand and, in the interim, had filed a rectification application before the concerned authorities requesting deletion of the entire demand. The rectification application has been rejected, and the Management is in process for file an appeal to the Appropriate Authority. In the opinion of the Management, based on the facts and circumstances of the case, the full documentary evidence of entitlement to the input credit, and legal advice obtained, this liability will not crystallize. Accordingly, no provision for this liability has been considered necessary in these accounts. Further Income Tax Authorities had also conducted search on the Company basis information received from GST Authorities and consequently raised a demand of Rs. 16.98 crores relating to above matter which is being contested by the Company before the Appellate Authorities. Management believes that no liability in this regard will arise against the Company. Accordingly, no provision for this liability has been considered necessary by the management in these accounts.
- The Company is not having any subsidiary, associate or joint venture; therefore It has prepared only standalone results as consolidated requirement is not applicable to the Company.
- The figures of the previous periods have been regrouped/rearranged/ and / or recast wherever found necessary to make them comparable.
